Youth Leadership Greater Washington: Connecting Youth & Stimulating Change Since 1991

Founded in 1991, Youth Leadership Greater Washington provides a six-month, interactive youth leadership development, and community education program for high school sophomores and juniors in Greater Washington (District of Columbia, Maryland and Virginia). Each year, we select proven or aspiring youth leaders from diverse backgrounds to participate in the program. We provide them with the opportunity to learn from some of the area's most important decision makers and study various topics, such as diversity, the arts, health and public safety and service.

The eighteen-year old program has directly influenced the lives of over five-hundred diverse students across Greater Washington including the sixty-two member Youth Leadership Class of 2009. Program day highlights included site visits to the Kennedy Center, Woolly Mammoth Theater and a first-hand experience of expressing themselves through dance, singing and improvisation during Arts Day, a day-long experience at the FBI Training Academy in Quantico, VA, an informative day-long experience on health issues that are of concern to youth and an eye-opening program day discussion on diversity. Although the cost for each student is \$1,500, we only require a \$200 fee for youth who are accepted into the program and students are never turned away for financial reasons. We need your help to continue this outstanding program. Your gift of \$1,500 to sponsor a student will be used to catapult Youth Leadership Greater Washington to the next level of greatness.
